Item 7.01. Regulation FD Disclosure.

On August 1, 2018, C. Malcolm Holland, III, Chairman and CEO of Veritex Holdings, Inc. ("the Company" or "Veritex"), and Terry Earley, Chief Financial Officer, of Green Bancorp, Inc. ("Green") are presenting at the Keefe, Bruyette & Woods Community Bank Investor Conference. A copy of the materials for such presentation is attached as Exhibit 99.1 to this Current Report on Form 8-K.

This information in this Item 7.01 and in Exhibit 99.1 hereto is being furnished, and shall not be deemed to be "filed," with the Securities and Exchange Commission (the "SEC"). The information in Exhibit 99.1 shall not be incorporated by reference into any filing of the registrant with the SEC, whether made before or after the date hereof, regardless of any general incorporation language in such filings.

Item 8.01 Other Events

The only information contained in this Form 8-K being filed for the purposes of compliance with Rule 425 of the Securities Act of 1933, as amended, is the information relating solely to the proposed merger between Veritex and Green contained in the presentation furnished herewith as Exhibit 99.1 and being filed under this Item 8.01.

Important Additional Information will be Filed with the SEC

This Current Report on Form 8-K does not constitute an offer to sell or the solicitation of an offer to buy any securities or a solicitation of any vote or approval with respect to the proposed acquisition by Veritex of Green. No offer of securities shall be made except by means of a prospectus meeting the requirements of the Securities Act of 1933, as amended, and no offer to sell or solicitation of an offer to buy shall be made in any jurisdiction in which such offer, solicitation or sale would be unlawful.

In connection with the proposed transaction, Veritex plans to file with the SEC a Registration Statement on Form S-4 containing a joint proxy statement of Veritex and Green and a prospectus of Veritex (the "Joint Proxy/Prospectus"), and each of Veritex and Green may file with the SEC other documents regarding the proposed transaction. The definitive Joint Proxy/Prospectus will be mailed to shareholders of Veritex and Green. SHAREHOLDERS ARE URGED TO READ THE REGISTRATION STATEMENT AND THE JOINT PROXY/PROSPECTUS REGARDING THE TRANSACTION CAREFULLY AND IN THEIR ENTIRETY WHEN THEY BECOME AVAILABLE AND ANY OTHER DOCUMENTS FILED WITH THE SEC BY VERITEX AND GREEN, AS WELL AS ANY AMENDMENTS OR SUPPLEMENTS TO THOSE DOCUMENTS, BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION ABOUT THE PROPOSED TRANSACTION. Investors will be able to obtain free copies of the Registration Statement and the Joint Proxy/Prospectus (when available) and other documents filed with the SEC by Veritex and Green through the website maintained by the SEC at www.sec.gov. Free copies of the Registration Statement and the Joint Proxy/Prospectus (when available) and other documents filed with the SEC can also be obtained by directing a request to Veritex Holdings, Inc., 8214 Westchester Drive, Suite 400, Dallas, Texas 75225, or by directing a request to Green Bancorp, Inc., 4000 Greenbriar Street, Houston, Texas 77098.

Participants in the Solicitation

Veritex, Green and their respective directors and certain of their executive officers and employees may be deemed to be participants in the solicitation of proxies from the shareholders of Green or Veritex in respect of the proposed transaction. Information regarding Veritex's directors and executive officers is available in its proxy statement for its 2018 annual meeting of shareholders, which was filed with the SEC on April 13, 2018, and information regarding Green's directors and executive officers is available in its proxy statement for its 2018 annual meeting of shareholders, which was filed with the SEC on April 13, 2018. Information regarding the persons who may, under the rules of the SEC, be deemed participants in the proxy solicitation and a description of their direct and indirect interests, by security holdings or otherwise, will be contained in the Joint Proxy/Prospectus and other relevant materials to be filed with the SEC when they become available. Free copies of this document may be obtained as described in the preceding paragraph.

Forward-looking Statements

This Current Report on Form 8-K includes "forward-looking statements," within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements are based on various facts and derived utilizing important assumptions, current expectations, estimates and projections and are subject to known and unknown risks, uncertainties and other factors that may cause actual results, performance or

achievements to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Forward-looking statements include, without limitation, statements relating to the impact Veritex expects its proposed acquisition of Green to have on the combined entity's operations, financial condition, and financial results, and Veritex's expectations about its ability to successfully integrate the combined businesses and the amount of cost savings and overall operational efficiencies Veritex expects to realize as a result of the proposed acquisition. The forward-looking statements also include statements about Veritex's future financial performance, business and growth strategy, projected plans and objectives. as well as other projections based on macroeconomic and industry trends, which are inherently unreliable due to the multiple factors that impact economic trends, and any such variations may be material. Statements preceded by, followed by or that otherwise include the words "believes," "expects," "anticipates," "intends," "projects," "estimates," "plans" and similar expressions or future or conditional verbs such as "will," "should," "may" and "could" are generally forward-looking in nature and not historical facts, although not all forward-looking statements include the foregoing. Further, certain factors that could affect future results and cause actual results to differ materially from those expressed in the forward-looking statements include, but are not limited to, the possibility that the proposed acquisition does not close when expected or at all because required regulatory, shareholder or other approvals and other conditions to closing are not received or satisfied on a timely basis or at all, the failure to close for any other reason, changes in Veritex's share price before closing, that the businesses of Veritex and Green will not be integrated successfully, that the cost savings and any synergies from the proposed acquisition may not be fully realized or may take longer to realize than expected, disruption from the proposed acquisition making it more difficult to maintain relationships with employees, customers or other parties with whom Veritex or Green have business relationships, diversion of management time on merger-related issues, risks relating to the potential dilutive effect of shares of Veritex common stock to be issued in the transaction, the reaction to the transaction of the companies' customers, employees and counterparties and other factors, many of which are beyond the control of Veritex and Green. We refer you to the "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" sections of Veritex's Annual Report on Form 10-K for the year ended December 31, 2017, the Annual Report on Form 10-K filed by Green for the year ended December 31, 2017 and any updates to those risk factors set forth in Veritex's and Green's Quarterly Reports on Form 10-Q, Current Reports on Form 8-K and other filings, which have been filed with the SEC and are available on the SEC's website at www.sec.gov. If one or more events related to these or other risks or uncertainties materialize, or if Veritex's underlying assumptions prove to be incorrect, actual results may differ materially from what Veritex or Green anticipates. Accordingly, you should not place undue reliance on any such forward-looking statements. Any forward-looking statement speaks only as of the date on which it is made. Neither Veritex nor Green undertakes any obligation, and specifically declines any obligation, to update or revise any forward-looking statements, whether as a result of new information, future developments or otherwise. All forward-looking statements, expressed or implied, included in this Current Report on Form 8-K are expressly qualified in their entirety by the cautionary statements contained or referred to herein.

Safe Harbor Statements

This presentation includes "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements are based on various facts and derived utilizing important assumptions, current expectations, estimates and projections and are subject to known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Forward-looking statements include, without limitation, statements relating to the impact Veritex Holdings, Inc. ("Veritex") expects its proposed acquisition of Green Bancorp, Inc. ("Green") to have on the combined entity's operations, financial condition, and financial results, and Veritex's expectations about its ability to successfully integrate the combined businesses, the amount of cost savings and overall operational efficiencies Veritex expects to realize as a result of the proposed acquisition and other estimates and projections (including expected accretion), which may be preliminary and subject to significant uncertainty. The forward-looking statements also include statements about Veritex's future financial performance, business and growth strategy, projected plans and objectives, as well as other projections based on macroeconomic and industry trends, which are inherently unreliable due to the multiple factors that impact economic trends, and any such variations may be material. Statements preceded by, followed by or that otherwise include the words "believes," "expects," "anticipates," "intends, "projects," "estimates," "plans" and similar expressions or future or conditional verbs such as "will," "should," "would," "may" and "could" are generally forward-looking in nature and not historical facts, although not all forward-looking statements include the foregoing. Further, certain factors that could affect future results and cause actual results to differ materially from those expressed in the forward-looking statements include, but are not limited to, the possibility that the proposed acquisition does not close when expected or at all because required regulatory, shareholder or other approvals and other conditions to closing are not received or satisfied on a timely basis or at all, the failure to close for any other reason, changes in Veritex's share price before closing, that the businesses of Veritex and Green will not be integrated successfully, that the cost savings and any synergies from the proposed acquisition may not be fully realized or may take longer to realize than expected, litigation relating to the proposed acquisition, disruption from the proposed acquisition making it more difficult to maintain relationships with employees, customers or other parties with whom Veritex or Green have business relationships, diversion of management time on merger-related issues, risks relating to the potential dilutive effect of shares of Veritex common stock to be issued in the transaction, the reaction to the transaction of the companies' customers employees and counterparties and other factors, many of which are beyond the control of Veritex and Green. These risks, as well as other risks associated with the proposed acquisition, will be more fully discussed in the Joint Proxy/Prospectus (as defined herein) that will be included on the Registration Statement on Form S-4 that will be filed with the SEC in connection wit the proposed acquisition. In addition, we refer you to the "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" sections of Veritex's Annual Report on Form 10-K for the year ended December 31, 2017, the Annual Report on Form 10-K filed by Green for the year ended December 31, 2017 and any updates to those risk factors set forth in Veritex's and Green's Quarterly Reports on Form 10-Q, Current Reports on Form 8-K and other filings, which have been filed with the U.S. Securities and Exchange Commission ("SEC") and are available on the SEC's website at www.sec.gov. If one or more events related to these or other risks or uncertainties materialize, or if Veritex's underlying assumptions prove to be incorrect, actual results may differ materially from what Veritex or Green anticipates. Accordingly, you should not place undue reliance on any such forward-looking statements. Any forward-looking statement speaks only as of the date on which it is made. Neither Veritex nor Green undertakes any obligation, and specifically declines any obligation, to update or revise any forward-looking statements, whether as a result of new information, future developments or otherwise. All forward-looking statements, expressed or implied, included in this presentation are expressly qualified in their entirety by the cautionary statements contained or referred to herein. Annualized, pro forma, projected and estimated numbers are used for illustrative purposes only, are not forecasts and may not reflect actual results. Information specific to Green or Veritex on a stand alone basis, including respective historical information, was prepared solely by the company as to which such information relates. The other party to the merger agreement has not verified and assumes no responsibility for such information. Green and Veritex may utilize similarly titled metrics but such metrics may be defined differently. No report of any third party is incorporated by reference herein.

Forward Looking Statements

Important Additional Information will be Filed with the SEC

This presentation does not constitute an offer to sell or the solicitation of an offer to buy any securities or a solicitation of any vote or approval with respect to the proposed acquisition by Veritex of Green. No offer of securities shall be made except by means of a prospectus meeting the requirements of the Securities Act of 1933, as amended, and no offer to sell or solicitation of an offer to buy shall be made in any jurisdiction in which such offer, solicitation or sale would be unlawful.

In connection with the proposed transaction, Veritex plans to file with the SEC a Registration Statement on Form S-4 containing a joint proxy statement of Veritex and Green and a prospectus of Veritex (the "Joint Proxy/Prospectus"), and each of Veritex and Green may file with the SEC other documents regarding the proposed transaction. The definitive Joint Proxy /Prospectus will be mailed to shareholders of Veritex and Green. SHAREHOLDERS ARE URGED TO READ THE REGISTRATION STATEMENT AND THE JOINT PROXY/PROSPECTUS REGARDING THE TRANSACTION CAREFULLY AND IN THEIR ENTIRETY WHEN THEY BECOME AVAILABLE AND ANY OTHER DOCUMENTS FILED WITH THE SEC BY VERITEX AND GREEN, AS WELL AS ANY AMENDMENTS OR SUPPLEMENTS TO THOSE DOCUMENTS, BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION ABOUT THE PROPOSED TRANSACTION. Investors will be able to obtain free copies of the Registration Statement and the Joint Proxy/Prospectus (when available) and other documents filed with the SEC by Veritex and Green through the website maintained by the SEC at www.sec.gov. Free copies of the Registration Statement and the Joint Proxy /Prospectus (when available) and other documents filed with the SEC can also be obtained by directing a request to Veritex Holdings, Inc., 8214 Westchester Drive, Suite 400, Dallas, Texas 75225, or by directing a request to Green Bancorp, Inc., 4000 Greenbriar Street, Houston, Texas 77098.

Participants in the Solicitation

Veritex, Green and their respective directors and certain of their executive officers and employees may be deemed to be participants in the solicitation of proxies from the shareholders of Green or Veritex in respect of the proposed transaction. Information regarding Veritex's directors and executive officers is available in its proxy statement for its 2018 annual meeting of shareholders, which was filed with the SEC on April 3, 2018, and information regarding Green's directors and executive officers is available in its proxy statement for its 2018 annual meeting of shareholders, which was filed with the SEC on April 13, 2018. Information regarding the persons who may, under the rules of the SEC, be deemed participants in the proxy Solicitation and a description of their direct and indirect interests, by security holdings or otherwise, will be contained in the Joint Proxy/Prospectus and other relevant materials to be filed with the SEC when they become available. GNBC Inflection Point - Earnings Power & Improving Credit

Key Observations

GNBC's core earnings power as illustrated by PTPP ROAA⁽¹⁾ of 2.15% for Q2 continues to improve reflecting the benefits of an asset sensitive balance sheet.

Risk inherent in GNBC balance sheet post the decision to exit energy lending has reached the lowest point in years as NPAs declined 64 bps. Management's outlook for the remainder of the year is for continued improvement in NPAs.

(1) As used in this presentation PTPP Operating ROAA is a non-GAAP financial measure. For a reconciliation of this non-GAAP financial measure to its comparable GAAP measure, see the end of the presentation.

GNBC Inflection Point - Capital & Efficiency

Key Observations

- Strong earnings, appropriate leverage and capital management through the initiation of a regular dividend in Q2 contributed to the strong ROATCE result of over 17.50%.
- Continued strength in the efficiency ratio as the benefits of a branch light business model coupled with an asset sensitive balance sheet support the earnings power of the company.

GNBC Inflection Point - Margin & Loan Production

Key Observations

- NIM expansion continued in Q2 as the Fed continued to increase short term rates. The Company's loan portfolio is 20% fixed rate with the remaining 67% floating and 13% adjustable. Deposit costs increased 12 bps during Q2 and are up 19 bps over the last 4 quarters.
- Loan production continued to accelerate to almost \$1.5 million annualized as CRE production started to return to normal levels and the economic strength of the Dallas and Houston markets continued their strong growth.
