SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus and the documents incorporated herein by reference contain statements that are “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, or the Securities Act, and Section 21E of the Securities Exchange Act of 1934, as amended, or the Exchange Act.

Forward-looking statements included in this prospectus or the documents incorporated by reference herein are based on various facts and derived utilizing numerous important assumptions and are subject to known and unknown risks, uncertainties and other factors that may cause our actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Forward-looking statements include the information concerning our future financial performance, business and growth strategy, projected plans and objectives, as well as projections of macroeconomic and industry trends, which are inherently unreliable due to the multiple factors that impact economic trends, and any such variations may be material. Statements preceded by, followed by or that otherwise include the words “believes,” “expects,” “anticipates,” “intends,” “projects,” “estimates,” “plans” and similar expressions or future or conditional verbs such as “will,” “should,” “would,” “may” and “could” are generally forward-looking in nature and not historical facts, although not all forward-looking statements include the foregoing. You should understand that the following important factors could affect our future results and cause actual results to differ materially from those expressed in the forward-looking statements:

- risks related to the concentration of our business within the Dallas metropolitan area, including risks associated with any downturn in the real estate sector and risks associated with a decline in the values of single family homes in the Dallas metropolitan area;
- our ability to implement our growth strategy, including identifying and consummating suitable acquisitions;
- risks related to the integration of any acquired businesses, including exposure to potential asset quality and credit quality risks and unknown or contingent liabilities, the time and costs associated with integrating systems, technology platforms, procedures and personnel, the need for additional capital to finance such transactions and possible failures in realizing the anticipated benefits from acquisitions;
- our ability to recruit and retain successful bankers that meet our expectations in terms of customer relationships and profitability;
- our ability to retain executive officers and key employees and their customer and community relationships;
- risks associated with our limited operating history and the relatively unseasoned nature of a significant portion of our loan portfolio;

3

[Table of Contents](#)

- market conditions and economic trends nationally, regionally and particularly in the Dallas metropolitan area and Texas;
- risks related to our strategic focus on lending to small to medium-sized businesses;
- the sufficiency of the assumptions and estimates we make in establishing reserves for potential loan losses;
- risks associated with our commercial loan portfolio, including the risk for deterioration in value of the general business assets that generally secure such loans;
- risks associated with our nonfarm nonresidential and construction loan portfolios, including the risks inherent in the valuation of the collateral securing such loans;
- potential changes in the prices, values and sales volumes of commercial and residential real estate securing our real estate loans;
- risks related to the significant amount of credit that we have extended to a limited number of borrowers and in a limited geographic area;
- our ability to maintain adequate liquidity and to raise necessary capital to fund our acquisition strategy and operations or to meet increased minimum regulatory capital levels;
- changes in market interest rates that affect the pricing of our loans and deposits and our net interest income;
- potential fluctuations in the market value and liquidity of our investment securities;
- the effects of competition from a wide variety of local, regional, national and other providers of financial, investment and insurance services;
- our ability to maintain an effective system of disclosure controls and procedures and internal controls over financial reporting;
- risks associated with fraudulent and negligent acts by our customers, employees or vendors;
- our ability to keep pace with technological change or difficulties when implementing new technologies;
- risks associated with system failures or failures to prevent breaches of our network security;
- risks associated with data processing system failures and errors;

[Table of Contents](#)

- our actual cost savings resulting from the acquisition of IBT Bancorp are less than expected, we are unable to realize those cost savings as soon as expected or we incur additional or unexpected costs;
- our revenues after the IBT Bancorp acquisition are less than expected;
- potential impairment on the goodwill we have recorded or may record in connection with business acquisitions;
- the institution and outcome of litigation and other legal proceeding against us or to which we become subject;
- our ability to comply with various governmental and regulatory requirements applicable to financial institutions;
- the impact of recent and future legislative and regulatory changes, including changes in banking, securities and tax laws and regulations and their application by our regulators, such as the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010;
- governmental monetary and fiscal policies, including the policies of the Board of Governors of the Federal Reserve System;
- our ability to comply with supervisory actions by federal and state banking agencies;
- changes in the scope and cost of Federal Deposit Insurance Corporation insurance and other coverage; and
- systemic risks associated with the soundness of other financial institutions.

Other factors not identified above, including those described under the headings “Risk Factors” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in our most recent Annual Report on Form 10-K (our “Latest Form 10-K”) and in any of our Quarterly Reports on Form 10-Q, Current Reports on Form 8-K or other filings that we have made with the SEC since the date of the Latest Form 10-K that are incorporated by reference in this prospectus, may also cause actual results to differ materially from those described in our forward-looking statements. Most of these factors are difficult to anticipate and are generally beyond our control. You should consider these factors in connection with considering any forward-looking statements that may be made by us. We undertake no obligation to release publicly any revisions to any forward-looking statements, to report events or to report the occurrence of unanticipated events unless we are required to do so by law.

RISK FACTORS

An investment in our securities involves certain risks. Before making an investment decision, you should carefully read and consider the risk factors set forth in our Latest Form 10-K under the heading “Risk Factors” as well as any updated or additional disclosure about risk factors included in any of our Quarterly Reports on Form 10-Q, Current Reports on Form 8-K or other filings that we have made with the SEC since the date of the Latest Form 10-K that are incorporated by reference in this prospectus. We may also include updated or additional disclosure about risk factors in an applicable prospectus supplement under the heading “Risk Factors.” Additional risks and uncertainties of which we are not aware or that we believe are not material at the time could also materially and adversely affect our business, financial condition, results of operations or liquidity. In any case, the value of the securities offered by means of this prospectus and any applicable prospectus supplement could decline and you could lose all or part of your investment.

DESCRIPTION OF COMMON STOCK

General

The following discussion summarizes some of the important rights of the holders of shares of our common stock. This discussion does not purport to be a complete description of these rights and may not contain all of the information regarding our common stock that is important to you. These rights can be determined in full only by reference to federal and state banking laws and regulations, the Texas Business Organizations Code, or the TBOC, and our certificate of formation and bylaws.

We are incorporated in the State of Texas. The rights of our shareholders are generally covered by Texas law and our certificate of formation and bylaws (each as amended and restated and in effect as of the completion of this offering). The terms of our capital stock are therefore subject to Texas law, including the TBOC, and the common and constitutional law of Texas. The following discussion describes the terms of our amended and restated certificate of formation and bylaws. Our amended and restated certificate of formation and bylaws have been filed with the SEC as Exhibit 3.1 and Exhibit 3.2 to the registration statement of which this prospectus is a part, and we encourage you to read those documents.

Our amended and restated certificate of formation authorizes us to issue up to 75,000,000 shares of common stock, par value \$0.01 per share, and 10,000,000 shares of preferred stock, par value \$1.00 per share, of which 8,000 shares are designated as Series C preferred stock. The authorized but unissued shares of our capital stock will be available for future issuance without shareholder approval, unless otherwise required by applicable law or the rules of any applicable securities exchange.

Voting Rights

Subject to any special voting rights that may be given to any series of preferred stock that we may issue in the future, holders of our common stock are entitled to one vote per share in the election of directors and on all other matters submitted to a vote of our shareholders. Shareholders are not entitled to cumulate their votes with respect to the election of directors. Directors are elected by a plurality of the votes cast.

Dividend Rights

Holders of our common stock are entitled to dividends when, as and if declared by our board of directors out of funds legally available therefor.

Liquidation Rights

Upon any voluntary or involuntary liquidation, dissolution or winding up of our affairs, all shares of our common stock will be entitled to share equally in all remaining assets after the holders of shares of preferred stock or other senior securities have received the liquidation preference of their shares plus any declared but unpaid dividends, if any, and after all other indebtedness has been retired.

[Table of Contents](#)

Other

Our common stock has no preemptive or conversion rights and is not entitled to the benefits of any redemption or sinking fund provision.

Listing

Our common stock is listed on the NASDAQ Global Market under the symbol "VBTX."

Transfer Agent and Registrar

The transfer agent and registrar for our common stock is Continental Stock Transfer & Trust Company, whose address is 17 Battery Place, 8th Floor, New York, NY 10004.

Business Combinations under Texas Law

A number of provisions of Texas law, our certificate of formation and our bylaws could have an anti-takeover effect and make more difficult the acquisition of the Company by means of a tender offer, a proxy contest or otherwise and the removal of incumbent directors. These provisions are intended to discourage coercive takeover practices and inadequate takeover bids and to encourage persons seeking to acquire control of us to negotiate first with our board of directors.

We are subject to the provisions of Title 2, Chapter 21, Subchapter M of the TBOC, or the Texas Business Combination Law, which provides that a Texas corporation may not engage in specified types of business combinations, including mergers, consolidations and asset sales, with a person, or an affiliate or associate of that person, who is an "affiliated shareholder." For purposes of this law, an "affiliated shareholder" is generally defined as the holder of 20% or more of the corporation's voting shares, for a period of three years from the date that person became an affiliated shareholder. The law's prohibitions do not apply if:

- the business combination or the acquisition of shares by the affiliated shareholder was approved by the board of directors of the corporation before the affiliated shareholder became an affiliated shareholder; or
- the business combination was approved by the affirmative vote of the holders of at least two-thirds of the outstanding voting shares of the corporation not beneficially owned by the affiliated shareholder, at a meeting of shareholders called for that purpose, not less than six months after the affiliated shareholder became an affiliated shareholder.

[Table of Contents](#)

We have more than 100 shareholders and are considered to be an "issuing public corporation" for purposes of this law. The Texas Business Combination Law does not apply to the following:

- the business combination of an issuing public corporation: where the corporation's original certificate of formation or bylaws contain a provision expressly electing not to be governed by the Texas Business Combination Law; or that adopts an amendment to its certificate of formation or bylaws, by the affirmative vote of the holders, other than affiliated shareholders, of at least two-thirds of the outstanding voting shares of the corporation, expressly electing not to be governed by the Texas Business Combination Law and so long as the amendment does not take effect for 18 months following the date of the vote and does not apply to a business combination with an affiliated shareholder who became affiliated on or before the effective date of the amendment;
- a business combination of an issuing public corporation with an affiliated shareholder that became an affiliated shareholder inadvertently, if the affiliated shareholder divests itself, as soon as possible, of enough shares to no longer be an affiliated shareholder and would not at any time within the three- year period preceding the announcement of the business combination have been an affiliated shareholder but for the inadvertent acquisition;
- a business combination with an affiliated shareholder who became an affiliated shareholder through a transfer of shares by will or intestacy and continuously was an affiliated shareholder until the announcement date of the business combination; and
- a business combination of a corporation with its wholly owned Texas subsidiary if the subsidiary is not an affiliate or associate of the affiliated shareholder other than by reason of the affiliated shareholder's beneficial ownership of voting shares of the corporation.

Neither our certificate of formation nor our bylaws contain any provision expressly providing that the Company will not be subject to the Texas Business Combination Law. The Texas Business Combination Law may have the effect of inhibiting a nonnegotiated merger or other business combination involving Veritex, even if that event would be beneficial to our shareholders.

Action by Written Consent

Under Texas law, no action required or permitted to be taken at an annual or special meeting of shareholders may be taken by written consent in lieu of a meeting of shareholders without the unanimous written consent of all shareholders entitled to vote on the action unless the certificate of formation specifically allows action to be taken by a written consent of the shareholders holding at least the minimum number of shares necessary to take the action that is subject to that consent at a meeting of shareholders, even though such consent is not signed by all of the corporation's shareholders. Our amended and restated certificate of formation provides for shareholder action by less than unanimous written consent.

[Table of Contents](#)

Certain Certificate of Formation and Bylaw Provisions Potentially Having an Anti-takeover Effect

Our certificate of formation and bylaws contain certain provisions that could have an anti-takeover effect and thus discourage potential takeover attempts and make it more difficult for our shareholders to change management or receive a premium for their shares. These provisions include:

- authorization for our board of directors to issue shares of one or more series of preferred stock without shareholder approval;
- a requirement that directors only be removed from office for cause and only upon the affirmative vote of the holders of four fifths (4/5) of the outstanding shares of our common stock;
- a provision that vacancies on our board of directors, including newly created directorships, may be filled only by a majority vote of directors then in office;
- a provision that any special meeting of our shareholders may be called only by a majority of the board of directors, the Chairman, the President or a holder or group of holders of at least 10.0% of our shares entitled to vote at the meeting;
- no provision providing for the cumulative voting in the election of directors; and
- a limitation on the ability of shareholders to call special meetings to those shareholders owning at least 10% of all shares entitled to vote in the election of directors at a meeting.

Limitation of Liability and Indemnification of Officers and Directors

Our amended and restated certificate of formation will provide that our directors and officers will be indemnified by us to the fullest extent permitted by the TBOC, against all expenses incurred in connection with their service for or on our behalf. In addition, our amended and restated certificate of formation will provide that our directors and officers will not be personally liable for monetary damages to us to the fullest extent permitted by the TBOC.

We have entered into indemnification agreements with our officers and directors pursuant to which they will be indemnified as described above and will be advanced costs and expenses subject to the condition that such officers and directors will reimburse us for all advancements paid if a final judicial determination is made that such officer or director is not entitled to indemnification under applicable law or regulation.

[Table of Contents](#)

DESCRIPTION OF SERIES C PREFERRED STOCK

General

As of the date of this prospectus, only one series of our preferred stock is authorized, issued and outstanding. On August 25, 2011, we issued 8,000 shares of our Series C preferred stock, \$1,000 liquidation value per share, in connection with our participation in the U.S. Treasury's SBLF program, all of which are covered by this prospectus.

Voting Rights

The holders of the Series C preferred stock do not have voting rights other than with respect to certain matters relating to the rights of holders of Series C preferred stock, on certain corporate transactions such as a merger or sale of all or substantially all of our assets, and, if applicable, the election of additional directors described below.

Dividends

The Series C preferred stock is entitled to receive non-cumulative dividends, payable quarterly, on each January 1, April 1, July 1 and October 1. The dividend rate is currently 1.0% per annum. Beginning February 2016, the dividend rate will increase to 9.0% per annum.

Dividends on the Series C preferred stock are non-cumulative. If for any reason our board of directors does not declare a dividend on the Series C preferred stock for a particular dividend period, then the holders of the Series C preferred stock will have no right to receive any dividend for that dividend period, and we will have no obligation to pay a dividend for that dividend period. Our failure to pay a dividend on the Series C preferred stock will restrict our ability to pay dividends on and repurchase other classes and series of our capital stock, including our common stock. In addition, our failure to pay dividends on the Series C preferred stock for six or more dividend periods, whether consecutive or not, will give the holders of the Series C preferred stock the right to appoint a non-voting observer on our board of directors.

Redemption

The Series C preferred stock may be redeemed at any time at our option, at a redemption price of 100% of the liquidation amount plus accrued but unpaid dividends to the date of redemption for the current period, regardless of whether such dividends have been declared for that period, subject to the approval of our primary federal banking regulator.

Liquidation Rights

In the event of any voluntary or involuntary liquidation, dissolution or winding up of our affairs, holders of the Series C preferred stock will be entitled to receive for each share of Series C preferred stock, out of our assets or proceeds available for distribution to our shareholders, subject to any rights of our creditors, before any distribution of assets or proceeds is made to or set aside for the holders of our common stock payment of an amount equal to the sum of (1) the \$1,000 liquidation preference amount per share of Series C preferred stock and (2) the amount of any accrued and unpaid dividends on the Series C preferred stock.

Registration of the securities covered by this prospectus does not mean, however, that those shares necessarily will be offered or sold.

We will not receive any proceeds from any sale of the securities by the selling stockholders. We will pay all costs, expenses and fees in connection with the registration of the securities, including fees of our counsel and accountants, fees payable to the SEC and listing fees. We estimate those fees and expenses to be approximately \$125,000. The selling stockholders will pay all underwriting discounts and commissions and similar selling expenses, if any, attributable to the sale of the securities covered by this prospectus.

The selling stockholders may sell the securities covered by this prospectus from time to time, at market prices prevailing at the time of sale, at prices related to market prices, at a fixed price or prices subject to change or at negotiated prices, by a variety of methods including the following:

- in privately negotiated transactions;
- through broker-dealers, who may act as agents or principals;
- in a block trade in which a broker-dealer will attempt to sell a block of common stock as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- through one or more underwriters on a firm commitment or best-efforts basis;
- directly to one or more purchasers;
- through agents; or
- in any combination of the above.

The securities covered by this prospectus may be sold:

- on a national securities exchange;
- in the over-the-counter market;
- in transactions otherwise than on an exchange or in the over-the-counter market, or in combination;
- through the writing of options whether the options are listed on an option exchange or otherwise;
- in a public auction;
- through an in-kind distribution of the common stock by the selling stockholders to their partners, members, or stockholders; or

[Table of Contents](#)

- in any combination of the above or any other method permitted pursuant to applicable law.

In effecting sales, brokers or dealers engaged by the selling stockholders may arrange for other brokers or dealers to participate. Broker-dealer transactions may include:

- purchases of the securities by a broker-dealer as principal and resales of the securities by the broker-dealer for its account under this prospectus;
- ordinary brokerage transactions; or
- transactions in which the broker-dealer solicits purchasers.

At any time a particular offer of the securities covered by this prospectus is made, a revised prospectus or prospectus supplement, if required, will be distributed, which will state the aggregate amount of securities covered by this prospectus being offered and the terms of the offering, including the name or names of any underwriters, dealers, brokers or agents, any discounts, commissions, concessions and other items constituting compensation from the selling stockholders and any discounts, commissions or concessions allowed or reallocated or paid to dealers. Any prospectus supplement, and, if necessary, a post-effective amendment to the registration statement of which this prospectus is a part, will be filed with the SEC to reflect the disclosure of additional information with respect to the distribution of the securities covered by this prospectus.

In connection with the sale of the securities covered by this prospectus through underwriters, underwriters may receive compensation in the form of underwriting discounts or commissions and may also receive commissions from purchasers of securities for whom they may act as agent. Underwriters may sell to or through dealers, and these dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and commissions from the purchasers for whom they may act as agent.

The common stock is listed on the NASDAQ Global Market under the symbol "VBTX." There is no established public market for our Series C preferred stock.

Any underwriters, broker-dealers or agents participating in the distribution of the common stock covered by this prospectus may be deemed to be "underwriters" within the meaning of the Securities Act, and any commissions received by any of those underwriters, broker-dealers or agents may be deemed to be underwriting commissions under the Securities Act.

Some of the securities covered by this prospectus may be sold in private transactions or under Rule 144 under the Securities Act rather than under this prospectus.

We have agreed to indemnify the selling stockholders against certain liabilities, including liabilities under the Securities Act. SunTx Veritex Holdings, LP has also agreed to indemnify us against certain liabilities, including liabilities under the Securities Act, for information it furnished to us for use in this prospectus.

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:
 - (i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date;

II-3

[Table of Contents](#)

- (5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
 - (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
 - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
 - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
 - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

- (c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding), is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
