Explanation of Responses:

- Each restricted stock unit represents a right to receive at settlement one share of common stock of the Company.
- The restricted stock units are subject to graded vesting over three years with vesting dates of February 1, 2022, February 1, 2023 and February 1, 2024.
- On January 1, 2019, the reporting person was granted an award of 4,570 restricted stock units subject to certain terms and conditions that was not required to be reported. The number of restricted stock units eligible for vesting was based on certain performance objectives and market conditions as of December 31, 2021 and determined on January 1, 2022. The performance objectives and market conditions were met for the period, resulting in the eligibility for vesting of all 4,570 restricted stock units.
