Item 7.01 Regulation FD Disclosure

The attached presentation contains information that the members of Veritex Holdings, Inc. (the "Company" or "Veritex") management will use during visits with investors, analysts, and other interested parties to assist their understanding of the Company from time to time throughout the third quarter of 2024.

As provided in General Instruction B.2 to Form 8-K, the information furnished in this Item 7.01 (including Exhibit 99.1) of this Current Report on Form 8-K shall not be deemed "filed" for purposes of Section 18 of the Exchange Act, or otherwise subject to the liabilities of that section, and such information shall not be deemed incorporated by reference in any filing under the Securities Act or the Exchange Act, except as shall be expressly set forth by specific reference in such filing

Forward Looking Statement

This earnings release includes "forward-looking statements", within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are based on various facts and derived utilizing assumptions, current expectations, estimates and projections and are subject to known and unknown risks, uncertainties and other factors, which change over time and are beyond our control, that may cause actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Forward-looking statements include, without limitation, statements relating to the expected payment of Veritex Holdings, Inc.'s ("Veritex") quarterly cash dividend; the impact of certain changes in Veritex's accounting policies, standards and interpretations; turmoil in the banking industry, responsive measures to mitigate and manage such turmoil and related supervisory and regulatory actions and costs; and Veritex's future financial performance, business and growth strategy, projected plans and objectives, as well as other projections based on macroeconomic and industry trends, which are inherently unreliable due to the multiple factors that impact broader economic and industry trends, and any such variations may be material. Statements preceded by, followed by or that otherwise include the words "believes," "expects," "anticipates," "intends," "projects," "estimates," "seeks," "targets," "outlooks," "plans" and similar expressions or future or conditional verbs such as "will," "should," "would," "may" and "could" are generally forward-looking in nature and not historical facts, although not all forward-looking statements include the foregoing words. We refer you to the "Risk Factors and "Management's Discussion and Analysis of Financial Condition and Results of Operations" sections of Veritex's Annual Report on Form 10-Q, Current Reports on Form 8-K and other filings with the Securities and Exchange Commission ("SEC"), whi
