ABOUT THE ANNUAL MEETING

When and where will the Annual Meeting be held?

The Annual Meeting is scheduled to take place at 5:00 p.m., Central Time, on Tuesday, May 15, 2018, at Veritex's corporate headquarters located at 8214 Westchester Drive, Suite 400, Dallas, Texas 75225.

What is the purpose of the Annual Meeting?

At the Annual Meeting, shareholders will be asked to vote on the following proposals:

- Proposal 1. Election of ten directors of the Company; and
- Proposal 2. Ratification of the appointment of Grant Thornton LLP as the independent registered public accounting firm of the Company for the year ending December 31, 2018.

Shareholders also will transact any other business that may properly come before the Annual Meeting or any adjournment thereof.

Who are the nominees for directors?

The following ten (10) persons have been nominated for election:

C. Malcolm Holland, III
William C. Murphy
Pat S. Bolin
April Box
Blake Bozman
Ned N. Fleming, III
Mark C. Griege
Gordon Huddleston
Gregory B. Morrison
John T. Sughrue

Each of Messrs. Kowalski, Falgout and Mastor are not to standing for re-election, but will continue to serve as directors until their respective terms end at the conclusion of the Annual Meeting. Mr. Kowalski has served on our Board of Directors since 2013, and Messrs. Falgout and Mastor served on our Board during the year ended 2017, joining in connection with the acquisition of Sovereign Bancshares, Inc. The Company thanks Messrs. Kowalski, Falgout and Mastor for their dedicated service to the Company.

Who is entitled to vote at the Annual Meeting?

The holders of record of the Company's outstanding common stock on March 26, 2018, which is the date that the Board has fixed as the record date for the Annual Meeting (the "record date"), are entitled to vote at the Annual Meeting. Each holder of record of the Company's outstanding common stock on the record date will be entitled to one vote for each share held on all matters to be voted upon at the Annual Meeting.

How do I vote?

You may vote your shares of common stock either in person at the Annual Meeting or by proxy. The process for voting your shares depends on how your shares are held as described below.

Stockholders of Record: Shares Registered in Your Name

If you are a record holder on the record date for the Annual Meeting, you may vote by proxy or you may attend the Annual Meeting and vote in person. If you are a record holder and want to vote your shares by proxy, you have two ways to vote:

- indicate on the proxy card(s) applicable to your common stock how you want to vote and sign, date and mail your proxy card(s) in the enclosed pre-addressed postage-paid envelope as soon as possible to ensure that it will be received in advance of the Annual Meeting; or
- go to the website www.cstproxyvote.com and follow the instructions for Internet voting on that website.

The Company must receive your proxy card by no later than the time the polls close for voting at the Annual Meeting for your vote to be counted at the Annual Meeting. Please note that Internet voting will close at 6:00 p.m., Central Time, on May 14, 2018.

Voting your shares by proxy will enable your shares of common stock to be represented and voted at the Annual Meeting if you do not attend the Annual Meeting and vote your shares in person.

Beneficial Owners: Shares Registered in the Name of a Broker or Bank

If you hold your shares in “street name,” your bank, broker or other nominee should provide to you a voting instruction card along with the Company’s proxy solicitation materials. By completing the voting instruction card, you may direct your nominee how to vote your shares. If you complete the voting instruction card except for one or more of the voting instructions, then your broker will be unable to vote your shares with respect to the proposal as to which you provide no voting instructions, except that the broker has the discretionary authority to vote your shares with respect to the ratification of the appointment of Grant Thornton LLP (Proposal 2). If your shares of common stock are held in “street name,” your ability to vote over the Internet depends on your broker’s voting process. You should follow the instructions on your proxy card or voting instruction card.

To vote the shares that you hold in “street name” in person at the Annual Meeting, you must bring a legal proxy from your broker, bank or other nominee, (1) confirming that you were the beneficial owner of those shares as of the close of business on the record date, (2) stating the number of shares of which you were the beneficial owner that were held for your benefit at that time by that broker, bank or other nominee and (3) appointing you as the record holder’s proxy to vote the shares covered by that proxy at the Annual Meeting. If you fail to bring a nominee-issued proxy to the Annual Meeting, you will not be able to vote your nominee-held shares in person at the Annual Meeting.

What is the difference between a shareholder of record and a “street name” holder?

If your shares are registered directly in your name with Continental Stock Transfer & Trust Company, the Company’s stock transfer agent, you are considered the shareholder of record with respect to those shares. This proxy statement and the proxy card have been sent directly to you by Continental Stock Transfer & Trust Company at the Company’s request.

If your shares are held in a brokerage account or by a bank or other nominee, the nominee is considered the record holder of those shares. You are considered the beneficial owner of these shares, and your shares are held in “street name.” This proxy statement and the proxy card or voting instruction card have been forwarded to you by your nominee. As the beneficial owner, you have the right to direct your nominee concerning how to vote your shares by using the voting instructions your nominee included in the mailing or by following its instructions for voting.

What constitutes a quorum for the Annual Meeting?

The holders of at least a majority of the outstanding shares of common stock on the record date must be represented at the Annual Meeting, in person or by proxy, in order to constitute a quorum for the transaction of business. On the record date, 24,147,533 shares of common stock were outstanding.

What is a broker non-vote?

A broker non-vote occurs when a broker holding shares for a beneficial owner does not vote on a particular proposal because the broker does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner. Your broker has discretionary authority to vote your shares with respect to the ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm (Proposal 2). In the absence of specific instructions from you, your broker does not have discretionary authority to vote your shares with respect to election of directors to our Board (Proposal 1).

What is “householding” and how does it affect me?

With respect to eligible shareholders who share a single address, we are sending only one copy of the notice and proxy statement to that address unless we have received instructions to the contrary from any shareholder at that address. Eligible shareholders will continue to have access to and receive separate proxy cards. This practice, known as “householding,” is designed to reduce our printing and postage costs. However, a shareholder of record residing at such address who wishes to receive a separate copy of the notice and proxy statement in the future may contact the Company by mail at Veritex Holdings, Inc., 8214 Westchester Drive, Suite 400, Dallas, Texas 75225, Attn: Corporate Secretary, or by phone at (972)-349-6200. Eligible shareholders of record receiving multiple copies of the notice and proxy statement can request householding by contacting us in the same manner. Shareholders who own shares through a bank, broker or other nominee can request householding by contacting the bank, broker or other nominee.

What should I do if I receive more than one set of voting materials?

You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you will receive a separate voting instruction card for each brokerage account in which you hold shares. Similarly, if you are a shareholder of record and hold shares in a brokerage account, you will receive a proxy card for shares held in your name and a voting instruction card for shares held in “street name.” Please complete, sign, date and return each proxy card and voting instruction card that you receive to ensure that all your shares are voted.

What are the Board’s recommendations on how I should vote my shares?

The Board recommends that you vote your shares as follows:

Proposal 1—**FOR** the election of all of the nominees for director; and

Proposal 2—**FOR** the ratification of the appointment of Grant Thornton LLP.

How will my shares be voted if I return a signed and dated proxy card, but don’t specify how my shares will be voted?

If you are a record holder who returns a completed proxy card that does not specify how you want to vote your shares on one or more proposals, the proxies will vote your shares for each proposal as to which you provide no voting instructions, and such shares will be voted in the following manner:

Proposal 1—**FOR** the election of all of the nominees for director; and

Proposal 2—**FOR** the ratification of the appointment of Grant Thornton LLP.

If you are a “street name” holder and do not provide voting instructions on one or more proposals, your bank, broker or other nominee will be unable to vote those shares, except that the nominee will have discretion to vote on the ratification of the appointment of Grant Thornton LLP (Proposal 2).

What are my choices when voting?

In the election of directors, you may vote for all director nominees or you may withhold your vote as to one or more director nominees. With respect to the proposal to ratify the appointment of Grant Thornton LLP, you may vote for the proposal, against the proposal or abstain from voting on the proposal.

May I change my vote after I have submitted my proxy card?

Yes. Regardless of the method used to cast a vote, if a shareholder is a holder of record, he or she may change his or her vote by:

- delivering to the Company prior to the Annual Meeting a written notice of revocation addressed to: Veritex Holdings, Inc., 8214 Westchester Drive, Suite 400, Dallas, Texas 75225 Attn: Corporate Secretary;

- completing, signing and returning a new proxy card with a later date than your original proxy card, prior to such time that the proxy card for any such holder of common stock must be received, and any earlier proxy will be revoked automatically;
- logging onto the Internet website specified on your proxy card in the same manner you would to submit your proxy electronically and following the instructions indicated on the proxy card before the Internet voting deadline of 6:00 p.m., Central time, on May 14, 2018; or
- attending the Annual Meeting and voting in person, and any earlier proxy will be revoked. However, attending the Annual Meeting without voting in person will not revoke your proxy.

If your shares are held in “street name” and you desire to change any voting instructions you have previously given to the record holder of the shares of which you are the beneficial owner, you should contact the broker, bank or other nominee holding your shares in “street name” in order to direct a change in the manner your shares will be voted.

What percentage of the vote is required to approve each proposal?

The affirmative vote of the holders of a plurality of the votes cast at the Annual Meeting is required for the election of the director nominees (Proposal 1). Therefore, the ten director nominees who receive the most votes from the holders of the shares of our common stock for their election will be elected.

The ratification of Grant Thornton LLP’s appointment as the Company’s independent registered public accounting firm (Proposal 2) will require the affirmative vote of the holders of a majority of the votes cast at the Annual Meeting.

How are broker non-votes and abstentions treated?

Broker non-votes and abstentions are counted for purposes of determining the presence or absence of a quorum. A broker non-vote or a withholding of authority to vote with respect to one or more nominees for director will not have the effect of a vote against such nominee or nominees (Proposal 1). Because the ratification of the appointment of the independent registered public accounting firm is considered a routine matter and a broker or other nominee may generally vote on routine matters, no broker non-votes are expected to occur in connection with this proposal. Any abstentions will not have the effect of a vote against the proposal to ratify the appointment of Grant Thornton LLP as the Company’s independent registered public accounting firm (Proposal 2).

What are the solicitation expenses and who pays the cost of this proxy solicitation?

Our Board is asking for your proxy, and we will pay all of the costs of soliciting shareholder proxies. In addition to the solicitation of proxies via mail, our officers, directors and employees may solicit proxies personally or through other means of communication, without being paid additional compensation for such services. The Company will reimburse banks, brokerage houses and other custodians, nominees and fiduciaries for their reasonable expense in forwarding the proxy materials to beneficial owners of the Company’s common stock.

Are there any other matters to be acted upon at the Annual Meeting?

Management does not intend to present any business at the Annual Meeting for a vote other than the matters set forth in the notice, and management has no information that others will do so. The proxy also confers on the proxies the discretionary authority to vote with respect to any matter properly presented at the Annual Meeting. If other matters requiring a vote of the shareholders properly come before the Annual Meeting, it is the intention of the persons named in the accompanying form of proxy to vote the shares represented by the proxies held by them in accordance with applicable law and their judgment on such matters.

Where can I find voting results?

The Company will publish the voting results in a current report on Form 8-K, which will be filed with the SEC within four business days following the Annual Meeting.

How can I communicate with the Board?

To communicate with the Board, shareholders should submit their comments by sending written correspondence via mail or courier to Veritex Holdings, Inc., 8214 Westchester Drive, Suite 400, Dallas, Texas 75225, Attn: Corporate Secretary; or via email at scaudle@veritexbank.com. Shareholder communications will be sent directly to the specific director or directors of the Company indicated in the communication or to all members of the Board if not specified.

PROPOSAL 1. ELECTION OF DIRECTORS

Number of Directors; Term of Office

The Company's bylaws currently provide that the number of directors which shall constitute the whole Board of Directors, which shall not be less than three, shall be determined from time to time by a resolution adopted by a majority of the Board of Directors; provided that no decrease in the number of directors which would have the effect of shortening the term of an incumbent director may be made by the Board of Directors. Agreements Pursuant to which Certain Directors were Selected and Nominated

Pursuant to an agreement (the “Director Nomination Agreement”) between SunTx Veritex Holdings, L.P. (“SunTx”) and us, SunTx was entitled to nominate one representative to serve on our Board and the Board of Directors of the Bank for so long as SunTx and/or its Affiliates (as defined in the Director Nomination Agreement) held at least 4.9% of our outstanding common stock. Based on information provided to us by SunTx, SunTx and/or its Affiliates no longer own at least 4.9% of our outstanding common stock. As such, SunTx is no longer entitled to nominate a representative to our Board and the Board of Directors of the Bank. However, our Board has nominated Mr. Fleming, a founder and Managing Partner of SunTX’s affiliate, SunTx Capital Partners, for election to our Board because of his significant financial expertise and leadership of SunTx Capital Partners and business experience with a publicly traded company.

Shareholder Approval

The affirmative vote of a plurality of the votes cast at the Annual Meeting is required for the election of each of the nominees for director. The ten (10) director nominees who receive the most votes from the holders of the shares of our common stock for their election will be elected.

THE BOARD RECOMMENDS A VOTE “FOR” THE ELECTION OF ALL OF THE NOMINEES LISTED ABOVE FOR ELECTION TO THE BOARD.

**PROPOSAL 2. RATIFICATION OF THE APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Pursuant to the recommendation of the Audit Committee, the Board has appointed Grant Thornton LLP as the independent registered public accounting firm of the Company for the year ending December 31, 2018. Grant Thornton LLP has served as the Company's independent auditors since 2014. We have been advised by Grant Thornton LLP that neither it nor any of its members had any financial interest, direct or indirect, in us nor has it had any connection with us or any of our subsidiaries in any capacity other than independent auditors. The Board is seeking ratification of the appointment of Grant Thornton LLP for the 2018 fiscal year. Shareholder ratification of the selection of Grant Thornton LLP as our independent registered public accounting firm for the 2018 fiscal year is not required by the Company's bylaws, state law or otherwise. However, the Board is submitting the selection of Grant Thornton LLP to our shareholders for ratification as a matter of good corporate governance. If the shareholders fail to ratify the selection, the Audit Committee will consider this information when determining whether to retain Grant Thornton LLP for future services.

The ratification of such appointment will require the affirmative vote of the holders of a majority of the votes cast at the Annual Meeting.

**THE BOARD RECOMMENDS A VOTE "FOR" THE PROPOSAL TO
RATIFY THE APPOINTMENT OF GRANT THORNTON LLP
AS THE COMPANY'S INDEPENDENT PUBLIC ACCOUNTING FIRM FOR FISCAL YEAR 2018.**

BOARD AND COMMITTEE MATTERS

Board Meetings

Our Board met twelve times during the 2017 fiscal year (including regularly scheduled and special meetings). During fiscal year 2017, each director participated in at least 75% or more of the total number of meetings of the Board (held during the period for which he or she was a director) and each director, with the exception of April Box, participated in at least 75% or more of the aggregate of the total number of meetings of all committees of the Board on which he or she served (during the period that he or she served). It is our recommendation that each director standing for election at the Annual Meeting attend the Annual Meeting in person. Nine (9) of our directors attended the 2017 annual meeting of shareholders. We anticipate all of our nominees for election will attend the upcoming Annual Meeting.

Director Independence

Under Nasdaq Stock Market (“Nasdaq”) rule 5605(b)(1), a majority of the members of our Board of Directors are required to be independent. The rules of the Nasdaq, as well as those of the SEC, also impose several other requirements with respect to the independence of our directors.

Our Board has evaluated the independence of each director and nominee based upon these rules. Applying these standards, our Board has affirmatively determined that, with the exception of Messrs. Holland and Murphy, each of our current directors and nominees qualifies as an independent director under applicable rules. In making these determinations, our Board considered the current and prior relationships that each director and nominee has with the Company and all other facts and circumstances our Board deemed relevant in determining their independence, including the beneficial ownership of our common stock by each director and nominee, and the transactions described under the heading “Certain Relationships and Related Person Transactions” in this proxy statement.

Board Leadership Structure

C. Malcolm Holland, III currently serves as our Chairman of the Board and Chief Executive Officer. Mr. Holland’s primary duties are to lead our Board in establishing our overall vision and strategic plan and to lead our management in carrying out that plan.

Our Board does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board, as the Board believes that it is in the best interests of our organization to make that determination from time to time based on the position and direction of our organization and the membership of the Board. The Board has determined that having our Chief Executive Officer serve as Chairman of the Board is in the best interests of our shareholders at this time. This structure makes best use of the Chief Executive Officer’s extensive knowledge of our organization and the banking industry. The Board views this arrangement as also providing an efficient nexus between our organization and the Board, enabling the Board to obtain information pertaining to operational matters expeditiously and enabling our Chairman to bring areas of concern before the Board in a timely manner. The Board does not have a lead independent director.

Risk Management and Oversight

Our Board is responsible for oversight of management and the business and affairs of the Company, including those relating to management of risk. Our full Board determines the appropriate risk for us generally, assesses the specific risks faced by us, and reviews the steps taken by management to manage those risks. While our full Board maintains the ultimate oversight responsibility for the risk management process, its committees oversee risk in certain specified areas. In particular, the Audit Committee assists the Board in monitoring the effectiveness of the Company’s identification and management of risk, including financial other business risks. The Compensation Committee is responsible for overseeing the management of risks relating to our executive and employee compensation plans and arrangements, and periodically reviews these arrangements to evaluate whether incentive or other forms of compensation encourage unnecessary or excessive risk taking by the Company. Our Corporate Governance and Nominating Committee monitors the risks associated with the independence of our Board. Management regularly reports on applicable risks to the relevant committee or the full Board, as appropriate, with additional review or reporting on risks conducted as needed or as requested by our Board and its committees.

Board Committees

Our Board has established standing committees at the Company level in connection with the discharge of its responsibilities. These committees include an Audit Committee, a Compensation Committee and a Corporate Governance and Nominating Committee.

In the future, our Board may establish such additional committees as it deems appropriate, in accordance with applicable law and regulations and the Company's certificate of formation and bylaws.

Audit Committee

The current members of our Audit Committee are Pat S. Bolin, Blake Bozman, Michael A. Kowalski and Gregory B. Morrison, with Mr. Kowalski serving as chair. Mr. Kowalski has decided not to stand for re-election but will continue to serve as a director until his respective term ends at the conclusion of the Annual Meeting. Ned N. Fleming, III, if elected, will serve as Mr. Kowalski's successor as Audit Committee member and chair following the Annual Meeting. Our Board has evaluated the independence of each of the members of the Audit Committee and has affirmatively determined that (i) each of the members meets the definition of an "independent director" under applicable Nasdaq rules, (ii) each of the members satisfies the additional independence standards under applicable SEC rules for Audit Committee service and (iii) each of the members has the ability to read and understand fundamental financial statements. In addition, the Board has determined that Mr. Kowalski and Mr. Fleming have the requisite financial sophistication due to their experience and background and thus qualifies an "audit committee financial expert" as defined by the SEC and as required by Nasdaq rules. The Audit Committee met five times in 2017.

The Audit Committee has responsibility for, among other things:

- selecting and hiring our independent auditors, pre-approving and overseeing the audit and non-audit services to be performed by the independent auditors;
- reviewing the qualifications, performance and independence of our independent auditors and approving, in advance, all engagements and fee arrangements;
- overseeing the annual audit and quarterly reviews of the Company's financial statements;
- reviewing actions by management on recommendations of the independent auditors and internal auditors;
- meeting with management, the internal auditors and the independent auditors to review the adequacy and effectiveness of our system of internal control over financial reporting and internal audit procedures;
- preparing the annual audit committee report and reviewing our earnings releases and reports filed with the SEC;
- reviewing and approving any related person transactions in accordance with the Related Person Transactions Policy; and
- handling such other matters that are specifically delegated to the Audit Committee by the Board from time to time.

Our Audit Committee has adopted a written charter, which sets forth the committee's duties and responsibilities. The Audit Committee charter is available on our website at www.veritexbank.com under "About Us—Investor Relations—Corporate Governance".

Independent Auditors

The Audit Committee has appointed Grant Thornton LLP as our independent auditors to audit the consolidated financial statements of the Company for the 2018 fiscal year. Grant Thornton LLP served as our independent auditors for the 2017 fiscal year and reported on the Company's consolidated financial statements for that year.

Representatives of Grant Thornton LLP are expected to be in attendance at the Annual Meeting and will be afforded the opportunity to make a statement. The representatives will also be available to respond to questions.

Fees Paid to Independent Registered Public Accounting Firm

The Audit Committee has reviewed the following audit and non-audit fees that the Company has paid to Grant Thornton LLP for 2017 and 2016 for purposes of considering whether such fees are compatible with maintaining the auditor's independence, and concluded that such fees did not impair Grant Thornton's independence. The policy of the Audit Committee is to pre-approve all audit and non-audit services performed by Grant Thornton LLP before the services are performed, including all of the services described under "Audit Fees," "Audit-Related Fees," "Tax Fees" and "All Other Fees" in the footnotes to the table below. The Audit Committee has pre-approved all of the services provided by Grant Thornton LLP in accordance with the policies and procedures described below.

	2017	2016
Audit fees ⁽¹⁾	\$ 823,136	\$ 528,620
Audit-related fees	—	—
Tax Fees	—	—
All Other Fees	—	—
Total fees	\$ 823,136	\$ 528,620

(1) *Audit Fees.* Audit fees reflect the aggregate fees billed for services related to the reviews of our quarterly reports filed on Form 10-Q (for such periods for which we filed such quarterly reports), the audit of the consolidated financial statements of the Company and the preparation of financial statements in accordance with Public Company Accounting Oversight Board ("PCAOB") standards, audit of internal controls to meet the reporting requirements of Section 112 of the Federal Deposit Insurance Corporation Act, registration statements, and other SEC filings.

Audit Committee Pre-Approval Policy

The Audit Committee has established a policy and related procedures regarding the pre-approval of all audit, audit-related and non-audit services to be performed by the Company's independent auditors. The Audit Committee will approve the engagement of auditors for a term of 12 months, unless the Audit Committee considers a different period and specifically states otherwise. The Audit Committee annually reviews and pre-approves the services, and the associated cost levels or budgeted amounts that may be provided by its independent auditor without obtaining specific pre-approval from the Audit Committee.

The Audit Committee may delegate pre-approval authority to one or more of its members. All requests or applications for services to be provided by the independent auditor that do not require specific approval by the Audit Committee will be submitted to the Audit Committee Chairman in order to determine whether such services are included within the list of services that have received the general pre-approval of the Audit Committee.

Report of the Audit Committee

The Audit Committee oversees the Company's financial reporting process on behalf of the Board. Management has the primary responsibility for preparing the Company's financial statements and the reporting process, including developing, maintaining and evaluating the Company's internal control over financial reporting in accordance with generally accepted accounting principles ("GAAP"). In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the Company's audited financial statements for the fiscal year ended December 31, 2017, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and accounting estimates, and the clarity of disclosures in the financial statements.

The Audit Committee discussed with Grant Thornton LLP their audit of the Company's 2017 financial statements, including the Company's internal control over financial reporting. During 2017, the Audit Committee met with Grant Thornton LLP, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal control over financial reporting, and the overall quality of the Company's financial reporting. In addition, the Audit Committee discussed with Grant Thornton LLP the matters required to be discussed pursuant to Auditing Standard No. 1301, *Communications with Audit Committees*, adopted by the PCAOB and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. The Audit Committee also discussed with Grant Thornton LLP the auditors' independence from management and the Company, including the matters in the written disclosures and the letter from Grant Thornton LLP required by the PCAOB,

considered the compatibility of non-audit services with the auditors' independence and concluded that the auditor's independence had been maintained.

Based on its review and discussions noted above, the Audit Committee recommended to the Company's Board that the audited financial statements be included in the annual report to shareholders on Form 10-K for the fiscal year ended December 31, 2017.

Respectfully submitted,
AUDIT COMMITTEE of the Board of Directors
Michael A. Kowalski, Audit Committee Chairman
Pat S. Bolin, Audit Committee Member
Blake Bozman, Audit Committee Member
Gregory B. Morrision, Audit Committee Member

During 2017, the Compensation Committee engaged EY Human Capital Services ("EY") as an independent compensation consultant. Pursuant to the engagement, EY provided the Compensation Committee with information regarding marketplace compensation trends and assisted the Compensation Committee with the identification and approval of an appropriate peer group against which to benchmark the Company's compensation practices. EY did not provide any services to the Company and was not paid for services to the Company other than for those related to work for the Compensation Committee during 2017. The Compensation Committee has assessed the independence of EY pursuant to the rules of the SEC and concluded that EY's work for the Compensation Committee did not raise any conflicts of interest.

Nomination of Directors

Our Corporate Governance and Nominating Committee is responsible for reviewing with the Board the requisite skills and characteristics of new Board members, as well as the composition and size of the Board as a whole. In selecting or recommending candidates believed to be qualified to become board members, the Corporate Governance and Nominating Committee takes into consideration the criteria approved by the Board and such other factors as it deems appropriate. These factors may include judgment, skill, diversity, experience with businesses and other organizations of comparable size and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board.

The Corporate Governance and Nominating Committee evaluates potential nominees for our Board to determine if they have any conflicts of interest that may interfere with their ability to serve as effective Board members and makes a recommendation to the full Board in order for the Board to determine each director’s independence in accordance with Nasdaq rules. Although we do not have a separate diversity policy, the committee considers the diversity of the directors and nominees in terms of knowledge, experience, skills, expertise and other demographics that may contribute to the overall diversity of our Board. Other than as described in the foregoing, there are no stated minimum criteria for director nominees.

For purposes of identifying nominees for the Board, the Corporate Governance and Nominating Committee will rely on personal contacts of the members of the Board as well as their knowledge of members of the Bank’s local communities. Our Corporate Governance and Nominating Committee will also consider shareholder recommendations for nominees, provided that the nomination includes a complete description of the nominee’s qualifications, experience and background, together with a statement signed by each nominee in which he or she consents to serve as a Board member if elected. Such nominations should be addressed to the Chairman of the Corporate Governance and Nominating Committee of Veritex Holdings, Inc., 8214 Westchester Drive, Suite 400, Dallas, Texas 75225.

The Corporate Governance and Nominating Committee does not intend to alter the manner in which it evaluates candidates based on whether or not the candidate was recommended by a shareholder.

Narrative Discussion of Summary Compensation Table

General. We compensate our named executive officers through a mix of base salary, cash incentive bonuses, long-term incentive compensation and other benefits, which include, to a certain extent, perquisites. We originally established our executive compensation philosophy and practices to fit our status as a privately held corporation and adapted our philosophy and practices following our initial public offering. We believe the current mix and value of these compensation elements provide our named executive officers with total annual compensation that is both reasonable and competitive within our markets, appropriately reflects our performance and the executive’s particular contributions to that performance, and takes into account applicable regulatory guidelines and requirements.

The Compensation Committee, either as a committee or together with the other independent directors of the Company, makes all decisions with respect to the compensation of the Company’s named executive officers. Our

Chairman and Chief Executive Officer annually reviews the performance of each of the Company's and its subsidiaries' executive officers (other than himself). The conclusions reached and the compensation recommendations based on these reviews, including with respect to salary adjustments and bonuses, were presented to the Compensation Committee. The Compensation Committee evaluates the Chairman and Chief Executive Officer's performance in light of the Company's goals and objectives relevant to his compensation and, either as a committee or together with the other independent directors of the Company, determines and approves the Chairman and Chief Executive Officer's compensation level. The Chairman and Chief Executive Officer is not involved with any aspect of determining his own pay.

Base Salary. The base salaries of our named executive officers have been historically reviewed and set annually by the Board or the Compensation Committee as part of the Company's performance review process as well as upon the promotion of an executive officer to a new position or other change in job responsibility. In establishing base salaries for our named executive officers, the Compensation Committee has relied on external market data obtained from outside sources, including a peer bank salary study prepared by our independent compensation consultant, EY. In addition to considering the information obtained from such sources, the Compensation Committee has considered:

- each named executive officer's scope of responsibility;
- each named executive officer's years of experience;
- the types and amount of the elements of compensation to be paid to each named executive officer;
- our overall financial performance and performance with respect to other aspects of our operations, such as our growth, asset quality, profitability and other matters, including the status of our relationship with the banking regulatory agencies; and
- each named executive officer's individual performance and contributions to our company-wide performance, including leadership, team work and community service.

Cash Bonuses. We typically pay an annual cash incentive award to our named executive officers. Annual incentive awards are intended to recognize and reward those named executive officers who contribute meaningfully to our performance for the year. The Compensation Committee, within its sole discretion, determines whether such bonuses will be paid for any year and the amount of any bonus paid. During 2017 and 2016, the Compensation Committee utilized a formulaic approach to incentivize achievement of specific performance measures in determining the amount of bonuses paid. Bonuses are funded based on the achievement of these performance measures relative to minimum and maximum targeted performance. The Compensation Committee leverages peer bank market data to establish the minimum and maximum funding amounts. Additionally, in determining whether to pay cash bonuses to a named executive officer for a given year and the amount of any cash bonus to be paid, the Compensation Committee considers the personal performance of the executive officer and contributions to the Company's performance for the year, including leadership, teamwork and community service.

Restricted Stock Units and Option Awards. We grant equity awards including restricted stock units and stock options to each of our named executive officers in order to motivate, retain and align executive compensation with the long-term objectives of the organization. The Compensation Committee considers market practices, external competitiveness, shareholder interests and advice from independent compensation consultants in establishing the amount of equity awards granted. The option awards are time-based with a three-year vesting period. Restricted stock units require conditions to be met in determining the number of awards that may vest over a three-year period. See "—Awards to Named Executive Officers" below for information regarding the restricted stock units.

Benefits and Perquisites. Our named executive officers are eligible to participate in the same benefit plans designed for all of our full-time employees, including health, dental, vision, disability and basic group life insurance coverage. We also provide our employees, including our named executive officers, with a 401(k) plan to assist participants in planning for retirement and securing appropriate levels of income during retirement.

Insurance Premiums. We invest in bank owned life insurance due to its attractive nontaxable return and protection against the loss of its key employees. Amounts included in the Summary Compensation Table represent premiums paid by us on behalf of the named executive officer.

Employment Agreements with Named Executive Officers

None of our named executive officers has a formal employment agreement. Previously, we and the Bank had entered into an employment agreement with Mr. Murphy providing that he would serve as vice chairman of both our

Board and the Board of Directors of the Bank, for a term commencing on March 23, 2011 and ending on March 31, 2015. Under the employment agreement, Mr. Murphy was entitled to an annual base salary of \$185,000 with merit increases, bonus and other incentives, if any, in accordance with the Bank's salary administration program based upon performance, as well as to certain other employment related benefits.

2010 Equity Incentive Plan

In 2010, we adopted the Veritex Holdings, Inc. 2010 Stock Option and Equity Incentive Plan, or the 2010 Equity Incentive Plan, to provide incentive compensation opportunities that are competitive with those of similar companies in order to attract, retain and motivate eligible participants by providing for both the direct award or sale of shares and for the grant of options to purchase shares of our common stock. The maximum number of shares of our common stock that may be issued pursuant to grants or options under the 2010 Equity Incentive Plan is 1,000,000. The Board authorized the 2010 Equity Incentive Plan to provide for the award of up to 100,000 shares of direct stock awards in the form of restricted shares and up to 900,000 shares of stock options, of which 500,000 shares are performance-based stock options. Following the completion of our initial public offering in October 2014, no further options or restricted shares have been or will be granted under the 2010 Equity Incentive Plan.

2014 Omnibus Incentive Plan

In September 2014 our Board adopted and our shareholders approved 2014 Omnibus Incentive Plan for Veritex Holdings, Inc., or the 2014 Omnibus Plan. The purpose of the 2014 Omnibus Plan is to align the long-term financial interests of our employees, directors, consultants and other service providers with those of our shareholders, to attract and retain those employees, directors, consultants and other service providers by providing compensation opportunities that are competitive with other companies and to provide incentives to those individuals who contribute significantly to our long-term performance and growth. To accomplish these goals, the 2014 Omnibus Plan permits the issuance of stock options, share appreciation rights, restricted shares, restricted share units, deferred shares, unrestricted shares and cash-based awards. The maximum number of shares of our common stock that may be issued pursuant to grants or options under the 2014 Omnibus Plan is 1,000,000.

Awards to Named Executive Officers

We have granted time-based options to each of our named executive officers. The time-based options vest in three equal annual installments on each of the first three anniversaries of the grant date.

We have also granted restricted stock units to each of our named executive officers. The restricted stock units eligible for vesting depends on the Company's total shareholder return relative to the SNL Microcap US Bank Index. The restricted stock units eligible for vesting is determined on the last day of the calendar year and vest in three equal installments on each of the first three anniversaries of the grant date.

In addition to the terms described above, the stock grant and stock option agreements provide for the number of shares granted, the price per share, the initial vesting date, the vesting schedule, and the expiration date of the grant.

Potential Payments upon Termination or Change in Control

Other than a Company severance plan under which all of our employees are eligible to receive benefits and certain grants under our equity incentive plans that provide for accelerated vesting upon a change of control or the death, disability or termination of the grantee, we do not have any agreement with, or obligations to, any of our named executive officers or other executive officers to make any payments, accelerate any equity awards or provide any other consideration to any such officer in connection with any change in control of the Company or the Bank or such an officer's severance from employment with the Company or the Bank.

Director Compensation

During 2017, each of our non-employee directors received a cash retainer of \$18,000 for his or her service as a director. In addition, the chairman of the Audit Committee and the chairman of the Compensation Committee each

received an additional cash retainer of \$10,000 and \$7,500, respectively for their service in those roles. The chairman of the Corporate Governance and Nominating Committee received an additional cash retainer of \$5,000 for his service in that role. Each director serving on any Board committee received an additional cash retainer of \$2,500 for his or her service. We reimburse our directors for reasonable out-of-pocket expenses they incur in connection with their service as directors, including travel costs to attend the meetings of the Board and committees. Any director who was also a named executive officer did not receive fees or other compensation for their service as a director of the Company.

The following table sets forth the compensation paid to each director who served on our Board during 2017, other than Messrs. Holland and Murphy, whose compensation is described in the “Summary Compensation Table” above. The table also includes compensation earned by each director that is attributable to his or her service as a director of the Bank.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

General

Some of our officers, directors and principal shareholders and their affiliates are customers of the Bank. Such officers, directors and principal shareholders and their affiliates have had transactions in the ordinary course of business with the Bank, including borrowings, all of which were effected on substantially the same terms and conditions, including interest rate and collateral, as those prevailing from time to time for comparable transactions with unaffiliated persons and did not involve more than the normal risk of collectability or other unfavorable features. We expect to continue to have such transactions on similar terms and conditions with such officers, directors and shareholders and their affiliates in the future.

In addition to the above-described relationships and the director and executive officer compensation arrangements discussed above under “Executive Compensation and Other Matters,” the following is a description of transactions since January 1, 2017, including currently proposed transactions to which we have been or will be a party in which the amount involved exceeded or will exceed \$120,000, and in which any of our directors (including nominees), executive officers or beneficial holders of more than 5.0% of our capital stock, or their immediate family members or entities affiliated with them, had or will have a direct or indirect material interest. We believe the terms and conditions set forth in such agreements are reasonable and customary for transactions of this type.

Registration Rights Agreement

In connection with our initial public offering, we entered into a registration rights agreement with SunTx and William C. Murphy and certain affiliates of Mr. Murphy (collectively, the “WCM Parties”). Under this agreement, each of these holders may require us to file a registration statement under the Securities Act of 1933, as amended (the “Securities Act”), including on Form S-3 to the extent such form is available to us, to register the sale of shares of our common stock, subject to certain limitations. These holders may each request a total of two such registrations and only one during any six-month period. In addition, if we propose to register securities under the Securities Act, then the holders who are party to the agreement will have “piggy-back” rights to request that we register their shares of our common stock, subject to certain limitations including quantity limitations determined by underwriters if the offering involves an underwriting. There is no limit to the number of these “piggy-back” registrations in which these holders may request their shares be included. We will bear the registration expenses incurred in connection with these registrations, other than underwriting discounts and commissions, except that the holders will bear the registration expenses incurred in connection with registrations requested and filed prior to the first anniversary of the date of our initial public offering. We have agreed to indemnify these holders against certain liabilities, including liabilities under the Securities Act, in connection with any registration effected under the agreement.

On November 10, 2015, at the request of SunTx, we filed a registration statement on Form S-3, which became effective on November 25, 2015, registering the sale of all 1,572,370 shares of our common stock owned by SunTx. On December 14, 2016, each of the WCM Parties waived all “piggy-back” rights it had under the registration rights agreement with respect to our registered public offering of common stock on December 20, 2016.

On December 19, 2017, at the request of the WCM Parties, we filed a registration statement on Form S-3, which became effective on December 26, 2017, registering the sale of all 97,259 shares of our common stock owned by Mr. Murphy and certain affiliates controlled by him.

Review and Approval of Transactions with Related Persons

Transactions by us with related persons are subject to regulatory requirements and restrictions. These requirements and restrictions include Sections 23A and 23B of the Federal Reserve Act (which govern certain transactions by the Bank with its affiliates) and the Federal Reserve’s Regulation O (which governs certain loans by the Bank to its executive officers, directors, and principal shareholders). We have adopted policies to comply with these regulatory requirements and restrictions.

In addition, we have adopted a written Related Person Transactions Policy which provides that any related person transaction is generally prohibited unless the Audit Committee determines that such transaction is fair to the Company and, if necessary, the Company has developed an appropriate plan to manage any conflicts of interest.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires our directors and executive officers and persons who own more than ten percent of our outstanding common stock to file reports of ownership and changes in ownership of our equity securities, including our common stock with the SEC. Such persons are required by the SEC's regulations to furnish us with copies of all reports they file pursuant to Section 16.

Based solely on a review of the reports furnished to us, or written representations from reporting persons that all reportable transactions were reported, we believe that during the fiscal year ended December 31, 2017 our officers, directors and greater than ten percent owners timely filed all reports they were required to file under Section 16(a) other than in the case of Mr. Kowalski, who inadvertently failed to timely file one Form 5 to report one transaction. The transaction involved a gift of the Company's common stock to the Kowalski Living Trust (constituting 10,000 shares).
